- Intense cleaning spray
- Max 4000 PSI
- Fits most brands

- 3.5 Orifice Size
- Great for general cleaning applications
- Max 4000 PSI
- Fits most brands

NAME

Part Number 8.641-026.0

NAME

Part Number 8.641-027.0

Works in tandem with your gas pressure washer to quickly deliver professional level cleaning without splash back. Cleans an area 15" wide with two spinning nozzles instead of one, reducing your cleaning time. Eliminates streaks by keeping the nozzles at a fixed height from the surface.

15" Surface Cleaner

8.641-035.0

Includes rotating brush, soft bristle brush and adapters that are compatible with all Kärcher pressure washers, as well as most brands of gas pressure washers.

Universal Dual Brush Kit

8.923-681.0

Made with extra soft synthetic bristles that are safe for all painted surfaces. Automatically dispenses detergent to help remove dirt and grime. Ideal for use on cars, trucks, motorcycles, boats, patio furniture and other delicate surfaces. Easily attaches to the trigger gun. Includes adapters

Universal Standard Brush Kit

8.923-683.0

Incoming water pressure causes inner brushes to rotate, providing the right amount of agitation to easily remove stubborn dirt and debris. Detergent dispenses through the brush for effortless cleaning of most flat surfaces. Included adapters.

Universal Rotating Brush Kit

8.923-682.0

- Quickly adjust the spray pattern of your pressure washer
- Perfect complement to VersaGRIP Spray Gun
- Max 4000 PSI
- Fits most brands

Variable Nozzle

8.641-048.0

- Quickly change spray patterns to match you cleaning application
- Includes 0°, 15°, 25°, 40°, Rinse/Soap Nozzles
- Max 3300 PSI
- Fits most brands

6-in-1 Quick Connect Nozzle

8.641-033.0

- Increases effective cleaning power by up to 50%
- Perfect for cleaning stubborn areas on driveways, concrete and stone
- Max 4000 PSI
- Quick Connect, fits most brands

Turbo Nozzle

8.641-034.0

- Easily reach hard-to-clean areas such as second floors
- Includes long-range spray and soap nozzles
- Max 4000 PSI
- Quick Connect, fits most brands

2nd Story Nozzle Kit

8.641-032.0

- 3.5 Orifice Size
- Great for general cleaning applications
- Max 4000 PSI
- Fits most brands

25° Quick-Connect Nozzle

8.641-028.0

- 3.5 Orifice Size
- Great for general cleaning applications
- Max 4000 PSI
- Fits most brands

40° Quick-Connect Nozzle

8.641-029.0

- Automatically dispenses soap at low pressure
- Reduces cleaning time, suitable for most applications
- Max 4000 PSI
- Fits most brands

Quick-Connect Soap Nozzle

8.641-030.0

- Includes 0°, 15°, 25°, 40°, Rinse/Soap Nozzles
- Color-coded for ease of use
- Max 4000 PSI
- Fits most brands

5-Pack Quick-Connect Nozzle

8.641-031.0
